OUR PRODUCTS

MILLWORK

From design to installation, our millwork products bring life to your most original and innovative ideas.

OUR PRODUCTS

COLD ROOMS

Cold and humid environments require adapted solutions. That's exactly what our cold room storage products offer. Whether it be for beverages, milk or frozen products, our cold room solutions offer optimal conservation and distribution of your merchandise.

TESTIMONIAL

Etalex was able to provide us with complete and durable products that meet our specifications and requests; as particular and unique as those may have been. In addition, this partnership is achieved in a spirit of friendly collaboration, focused on achieving the objectives of our company and our merchants.

Annie Marcou
National Procurement Director – Métro

Our impressive manufacturing capacity, combined with our wide range of products allows us to meet the specified and varied needs of our many clients in the grocery industry. Whether it's the shelving in the heart of the store, cold rooms, various millwork units or stand-alone displays, we have the expertise to offer large-scale, tailor-made and personalized solutions, allowing us to meet the needs of our grocery store clients.
